

VOCAL101 District/School Order

How to order

1. Complete and send us the order form with payment option.
2. You will receive, via email, a unique **registration link*** for your institution.
3. Distribute the registration link to your educators.
4. Educators open the link and create a **VOCAL account**** for immediate access.

* If you purchase fifty user licenses, your registration link can be used fifty times to register users.

When fifty registrations are complete the link is inactive.

** To create an account users need an email address and a password.

There is no expiry date for access to VOCAL 101 once a user has registered.
